I'd Pick More Daisies

by
Nadine Stair
Age 85

If I had my life to live over,
I'd try to make more mistakes next time.
I would relax.
I would limber up.
I would be sillier than I have been this trip.
I would take more chances.
I would take more trips.
I would climb more mountains,
swim more rivers and watch more sunsets.

Oh, I've had my moments and,
if I had to do it over, I'd have more of them.
In fact, I'd try to have nothing else.
Just moments, one after another, instead of living
so many years ahead each day.

If I had to do it over again,
I would go places and
do things and travel lighter than I have.
If I had my life to live over,
I would start
bare-footed earlier in the Spring and
stay that way later in the Fall.

I would ride on more merry-go-rounds.
