Secure Central Registry (SCR)

- MDE and MIEM partnered to design and develop SCR
- Automates current SB-CEU processes
 - Allows educators to track SB-CEUs in one central location
 - Streamlines recording process for SB-CEU sponsor-administrators
- Implements a common evaluation tool

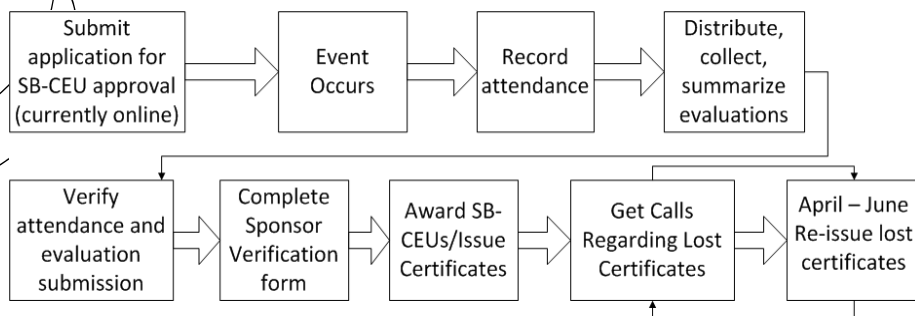

Statistics

- Approximately 190 Sponsor-Administrators
- Sponsor-Administrators submitted over 7500 applications in 2009
- Can not track: total number of SB-CEUs awarded per year by sponsor, in total, or by discipline
- Currently conduct audits on all sponsor-administrators every 3 years (190+ sponsors => over 60 site visits per year)
