The Michigan Department of Education (MDE) will provide substantive, research-based professional development opportunities by organizing and supporting several regional SIOP (Sheltered Instruction Observation Protocol) workshops for teams of ESL and general education (content area/classroom) teachers from local school districts. Each workshop will accommodate approximately 40-50 persons. Sponsored by MDE and Great Lakes East Comprehensive Center, leaders from the Center for Applied Linguistics (Washington D.C.) will conduct the four-day workshops with the assistance of Michigan teacher-leaders who have completed SIOP train-the-trainer sessions earlier in the summer.
