

MIEM

EVENT:

**WEBINAR SERIES:
STRENGTHENING YOUR FOUNDATION,
LEADING TO YOUR SUCCESS**

PRESENTED BY:

MASA & MIEM

The purpose of each program is to provide you with practical information from experienced practitioners who will share information; give relevant, interesting stories; and provide a forum to enhance a professional network among the participants. This will be done through user-friendly technology that is time and cost-efficient. A specific listserv will be developed to enable participants to communicate with the facilitator and each other so they can stay in touch between sessions.

The Webinar series will feature four programs:

**Staying Out of Trouble
Monday, November 20, 2006**

Presented by Bob Howe, Superintendent of Leslie Public Schools

Superintendent Howe will share his list of things to consider that will help superintendents to lower the probability of 'getting into trouble.' Bob will share his list of 28 things to consider and do. This will be done in an interesting manner with opportunity to interact and support his findings.

**The Resilient Leader: What it Takes
Wednesday, January 17, 2007**

Presented by Dan C. Wertz, ED.D. Superintendent Emeritus of the Okemos Public Schools.

After having successfully served as a superintendent for 23 years, Wertz observed a dwindling number of candidates interested in becoming school leaders. After much research and interviewing of other superintendents and their approaches to problem solving and lifestyle balance, "The Resilient Leader" seminars were developed. Participants will learn what it takes to be a resilient leader through responses to adversity, how to tackle difficult issues, find balance, assessing ones resilience, enhance ones own resilience 'tool kit', and find places for help.

**Basic Finance for Superintendents
Wednesday, March 21, 2007,**

Presented by Tom White, Executive Director of M.S.B.O. and Dave Martell, Associate Executive Director, M.S.B.O.

School Finance and issues related to budget are critical in the operation of a school district. It is also an area that requires understanding and clearer communication between the superintendent and the district's business official. Tom and Dave represent the Michigan School Business Officials Association and will effectively guide participants through the essentials of what a superintendent wants and needs to know in a practical, clear, and helpful manner.

**Courageous Journey, Welcome Aboard!
Tuesday, May 8, 2007**

Presented by Pat Reeves, Associate Executive Director, MASA and members of the Courageous Journey team.

Participants enhance their understanding regarding the importance of a superintendent's need for continued professional development, new Michigan certification requirements, and the latest research and practice of Balanced Leadership. The Seven Points of Learning that guide MASA's volunteer certification program will be shared, as well as information on how MASA members can plan for certification endorsement through participation with this dynamic, relevant, and rigorous program.

AUDIENCE:

All members, especially to superintendents with less than three years' experience in their position.

TIME:

1:00 - 3:00 p.m.

COST:

\$50 when attending an approved site
\$75 when attending from your own desk

SB-CEUS:

.8 SB-CEU's by attending all four of these webinars.
